Serial No

3 As the 1st C is aware some action has been taken in regard to the University independently of the Committee & a note giving the main lines of the proposed University has been prepared & submitted recently If the main lines are approved the a copy of the note may be sent to the Committee & details maybe elaborated - Or perhaps a separate Committee maybe appointed to work out details

4 In the draft of the Govt letter forwarding with the note, it has been proposed to approach the British Indian Univs to recognise our University exams for admission to Technical & professional degrees, as recommended by the Carpenter & the Govt Committee

Copy of Resolution No.II passed at the meeting of the Education Committee held in the Public Offices, Mysore, on Friday the 10th October 1913 at

---

The next subject taken up for consideration was the " Establishment of a Local University." The members were of opinion that, as the main lines upon which the University was to be established had already been considered and placed before the Government, it was not necessary to enter into details at present, it was, therefore, resolved that further consideration of the subject be postponed and the Secretary to Government be requested to communicated as early as possible the views or orders of Government on the recommendations Resolution II already submitted through the Conference.
